FACULTY AND STAFF

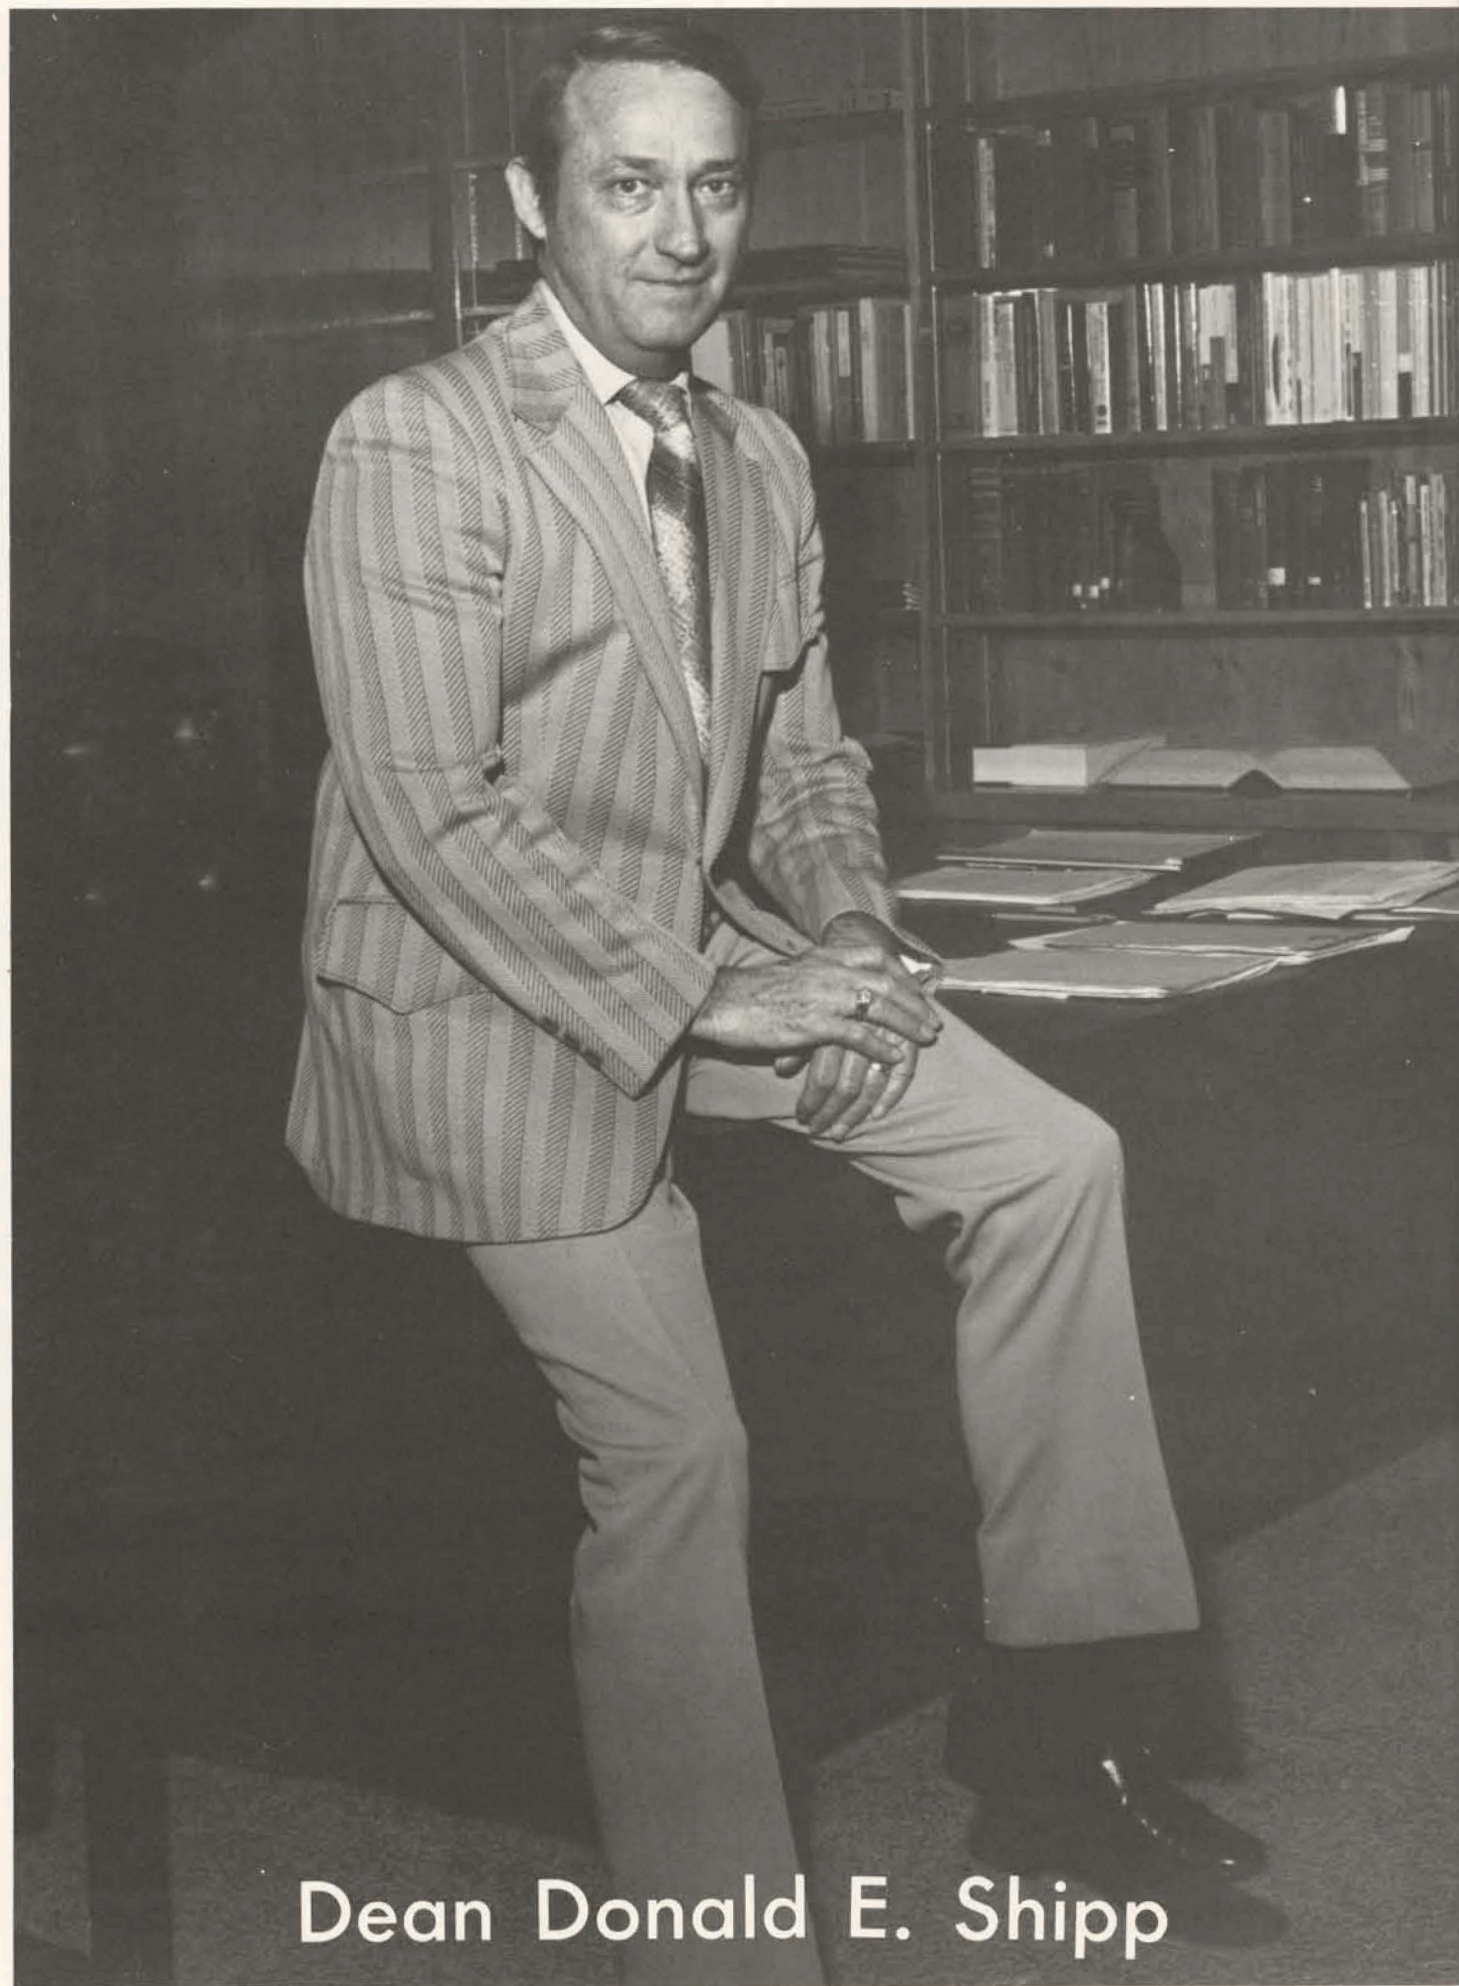

GOVERNOR JOHN McKEITHEN

L.S.U. BOARD OF SUPERVISORS

Front row, left to right: Swanson, Davis, Staples, chairman, Padgett, vice-president, and Foster. Standing: Sherrouse, Peck, Spaht, secretary, Walden, Armentor, Brown, McKeithen, and Pitcher.

Dean Donald E. Shipp

The 1971-72 school annual helps mark the completion of the first five years of Louisiana State University in Shreveport. During this brief period, LSU-S has grown from a first-year enrollment of 807 to a fifth-year enrollment of 1746. Of more importance, however, the campus has begun the development of a reputation for an excellent academic program. Also, it has attracted an excellent student group which compares favorably with that found on any college campus in Louisiana.

With a recommendation for four-year status from the Louisiana Coordinating Council for Higher Education, the campus now faces transition to a degree-granting institution. Many young people and employed adults will find new opportunities here to advance their education and their professional knowledge and skills. The faculty and staff are committed to developing an institution that will be a credit to the citizens of Shreveport and Bossier City.

I wish to express my appreciation to all those faculty and students who have contributed so much to the development of LSU in Shreveport.

Sincerely,

Donald E. Shipp

Student Government Association

The Student Government Association kept busy this year making decisions, planning projects and activities, and researching the student's desires. Student Government elections were held and new senate members were elected. The organization featured the GOLD RUSH at a dance during the fall semester and had a weiner roast and bonfire on Cross Lake. Senate meetings were held regularly to discuss new and old issues. The good days and bad days were many, but there were also work days and play days. Officers of SGA were Anita Yates, Secretary; Ernie Roberson, Vice-President; Mark Tyler, Treasurer (below). Not pictured is Steve Primos, President. Students keep warm at the bonfire (right).

SGA members Ernie Roberson and Mark Tyler help during the gubernatorial mock election (left). SGA members are always eager to sit on the front row during lectures (lower right). Ernie Roberson addressed the student body (lower left).

Biology Club ΛΣΥ

The purposes of the Biology Club are to collect specimens for use in the biology department and to give members actual experience working in the field. Requirements for membership are a 2.0 average and an interest in biology. Among the activities of the club this year included a weekend of camping, trapping, and exploring in the mountains of Arkansas. The club also visited the LSU Experimental Station at Stonewall and had a car wash. A raffle for a dinner at Ernest's, a stuffed tiger, and a turkey was another highlight of the year. Throughout the year the club had guest speakers and set up exhibits of films in the library which were taken by the club during some of their trips. Officers for this year were Harold Meekin, President; Linda German, Secretary; Jim Deveney, Treasurer (right). Biology club members diligently wash cars to raise money (below). Mrs. Hubble, club sponsor (below right).

Peyton Kelley and Lane Cook help the Biology Club by selling some raffle tickets (left). Pictured are the Biology Club members and sponsor (below).

BX Business Club

The Business Club was busy again this year. Membership was open to anyone interested in the business world. One must be a full-time student and have a 2.0 average. The activities undertaken by the club included a fish fry for members and prospective members to get acquainted. The club sponsored the Annual Awards Day Banquet during the spring semester and a field trip was taken to Western Electric. Guest speakers were an added feature of the club's activities. Officers this year were Roy Monarch, President; Jerry Lee, Vice-President; Fran Crouch, Secretary; Mr. T. Y. Tillman, faculty sponsor (right). Dr. Grubbs enjoys giving help to students (below).

Business students help themselves at the fish fry (above left). C. R. McPherson (above right) is a club sponsor. Business students are often found working in the business classroom (left).

Sigma Alpha Speech and Hearing Club

Sigma Alpha is designed for those students interested in the speech and hearing program. Organized to recruit persons into the field of speech and hearing, Sigma Alpha is involved in many activities. Participation in the Louisiana Speech and Hearing Convention was a highlight of the year in which the club prepared exhibits of articulation tests. Many hours a week were spent in service to the community. Members served as assistant speech and language clinicians or teachers helping speech handicapped children in special schools. The club sponsored and produced an all college variety show. Club members helped in registration and worked toward making LUS-S four years. Officers for the fall semester were Lane Rice, Public Relations Officer; Linda Bock, Secretary; Pam Cook, Treasurer; Deborah Betts, Vice-President; Ida Kuun, President (left). Editor's Note . . .

In our 1972 BAGATELLE we have tried to give a representative cross-section of the many phases of life at LSU-S. We have depicted many varied experiences shared by our students as they go through their school routines; the extra-curricular activities and organizations which make for a more varied schedule have also been included.

We have attempted to capture the individuals as they were during the school year of 1971-72. John Burroughs aptly gives a major reason for publishing a yearbook: "Time does not become sacred to us . . . until it has passed over us and taken with it a part of ourselves." Through the content of a yearbook we can enable persons to reminisce about a particular year and, possibly, recall that part of themselves that the year took.

Many thanks go to the persons in charge of the various places in Shreveport where we were allowed to take pictures. We are proud to have such fine places in the area and would like to do them justice through the use of them in pictures.

Our staff this year certainly deserves commendation for all their fine work. Each member who completed his job receives a big "thank you" from me; this is certainly inadequate for without these individuals (pages 128-129) and their fine work, this book could not have been published. These staffers made the editor's job an easier one this year.

There have been tedious and trying times this year, but all in all it has been worthwhile. We only hope that we have compiled a book which LSU-S students can be proud of, a book which is representative of our school, and a book which shows the need and merit of LSU-S to become a four-year institution.
